❄️

Day 2 Assignment : BOX Model

IW Assignment

Create the below layout using css and box-model: movies.png

For refference you can visit this website:- Movies

Image Links:- images.txt

Problem 1:

Build the given layout using box model: masai-mentors.png

Use dummy images from google, no need to use same images as given above.

Problem 2:

Create your own resume, design should match the image given. Either keep the dummy data or you can fill in your own data, whichever you want to do. No need to match colors given, but try to match font-size.
